

POLICIES

ENVIRONMENTAL, SAFETY AND HEALTH

- IAP-HILL will comply with applicable requirements, operate responsibly, provide a safe and secure environment, optimize resource use, minimize risks and adverse impacts, and prevent pollution and injuries/illnesses. Continual improvement and value-added approaches drive our environmental, safety and health programs.

QUALITY

- We, individually, and as a team, will deliver products and services that consistently conform to our customers' requirements and exceed their increasing expectations. We ensure customers' expectations are exceeded by measuring, reviewing and communicating our objectives.
